Membership Eligibility

- For business membership eligibility, all Owner(s) of the Business must have an existing Navy Federal Membership.
- A \$5 (minimum) Business Membership Savings Account must be opened to establish a Navy Federal Business Membership in the name of the Legal Business Entity.
- Navy Federal requires a minimum of \$100 to establish a new Business Membership. This deposit may be transferred from an owner's existing Navy Federal account, deposited by cash or check, or processed through card-based funding.
- This minimum deposit requirement will be transferred (along with the \$5 membership share purchase deposit, if applicable) to the Business Membership Savings Account upon approval of the Business Membership Application.
- All Navy Federal accounts (personal or business) held by Owner(s) must be in good standing (with Navy Federal) to open a Business Membership.

How to Establish Membership

- Branch: Visit a local branch to open your account.
- Contact Center: Call Business Service's Contact Center at 1-877-418-1462.

Required Business Entity Documentation

- Page 1 of the Business Membership Application contains the listing of required business entity documentation for each entity type.
- Navy Federal recognizes that various U.S. States, Counties, and/or Local Municipalities may have variations specific to the titles of specific Business Entity documentation. These documents will be acceptable if found to be reasonably comparable to Navy Federal's documentation requirements.
- The Beneficial Owner Certification form (NFCU 98) must be completed for all Legal Entities.
- Please ensure all signatures are provided and appropriate documentation is included.

Authorized Signers

- Authorized Signers are allowed access to all Business Checking and Savings accounts.
- The business owner(s) are automatically included as Authorized Signers. Only the business owner(s) are allowed to add or remove signers from business accounts.
- As with owners, ALL personal accounts of Authorized Signers (if any) must be in good standing. If not, the Authorized Signer will not be added.
- Authorized Signers do not need to be in Navy Federal's Field of Membership.

PLEASE NOTE: Navy Federal limits the membership of Non-Profit entities to those that provide a direct benefit or support to the U.S. Military (Active Duty or former Active Duty). Non-Profits established for any other purpose are not eligible for Business Membership at Navy Federal.

Navy Federal reserves the right to refuse membership to business entities classified as "High-Risk" in accordance with the Bank Secrecy Act (BSA). This may include, but is not limited to:

- financial, investment, or credit service providers (including money services businesses and tax preparation services);
- IP infringement, regulated, or illegal products (Internet gambling providers, marijuana-related services, and online tobacco or pharmacies);
- unfair, predatory, or deceptive practices; and/or
- other high-risk products or services (travel agencies or other travel-related services and multi-level marketing programs).

PLEASE NOTE: Navy Federal periodically scans all Business Members and associated accounts. If prohibited high-risk deposit or unsatisfactory account handling transactions are detected, the credit union will review the account for immediate account restriction and/or closure.
